---

**CONDITIONS OF REQUEST FOR TENDER FOR PLANT****1.1 Request for Tender Documents**

- A. The organisation providing the Tender shall complete all details on the Tender Form which shall be recognised as the Tender.
- B. The organisation providing the Tender shall sign the Tender or, if the organisation is a corporation, affix the common seal or otherwise formally sign the Tender.
- C. Selection shall be made from the signed Tender and not from any literature or letter accompanying the Tender, unless such attachments are specifically referred to in the signed Tender schedules.

**1.2 Variations from Specification**

- A. If because of the basic design or other factors it is impracticable for the organisation providing the Tender to fully comply with the specification of plant required, he/she shall clearly list these variations and attach to the General Request for Tender Schedule.
- B. Unless these exclusions are stated, it shall be expected that the machine offered complies with the specification in all respects.

**1.3 Time for Delivery**

- A. The organisation providing the Tender shall state on the Tender the time for delivery of the machine. A monetary penalty shall be incurred by the successful organisation on failure to comply with the stated delivery time, and at Council's discretion. The penalty shall be calculated at the rate of 0.1% of the Tender price per ordinary working day, i.e. Monday to Friday, exclusive of public holidays, that the actual delivery time exceeds the stated delivery time. Council also reserves the power to subtract this calculated penalty amount from the Tender price and to make payment accordingly.
- B. Delivery shall be to the Council Depot at Herbert Street, Boulia, and the supplying organisation should nominate the price involved in delivering the items to this point in their Tender price. If the successful organisation/supplier fails to supply the machine or equipment quoted within the time set out in their Tender document, Council reserves the right to cancel the order and either place an order with another organisation/supplier or recall Tenders.

**1.4 Lodgement of Tender**

- A. The Tender – in its original form - must be received by the addressee by the time and date stated in this specification. Any organisation not conforming with this condition will not be considered unless there is evidence satisfactory to Council that such Tender:
  - o Was delivered to the specified place for lodging the Tender before the closing time; or
  - o Was posted to reach the specified place for lodging the Tender under normal circumstances before the closing time, and was in the course of postal delivery at that time.
- B. The submission should be clearly marked: Request for Tender No. T2019/20-9.

**1.5 Notice of Tender**

- A. Every notice to be given to an organisation submitting a Tender may, if Council thinks fit, be posted to the organisation's address given in the Tender, and such posting will be deemed good service of such notice, and the time mentioned for doing any act after notice shall be reckoned from the time of posting same.

**1.6 Acceptance of Tender**

- A. Any Tender which does not comply with the requirements of the conditions of quoting in all respects may be rejected.
- B. The lowest or any Tender not necessarily accepted.
- C. The organisation who's Tender has been approved and accepted shall be advised by the placement of an official order form from Council.

- 
- D. If the successful organisation fails to supply the machine quoted on within the time as set out in their Tender documents, Council reserves the right to cancel the order and either place an order with another organisation or recall Tenders.

**1.7 Trade-in Allowances**

- A. By inspection on site of any trade-in unit the organisation submitting a Tender shall satisfy him/herself as to the actual condition of the trade-in unit/s.
- B. Council reserves the right to refuse any and all trade-in offers, and dispose of the trade-in machine by other means, at its sole discretion.
- C. The trade-in unit shall be available ex Boulia, and all costs associated with its relocation are to be borne by the organisation submitting a Tender.
- D. Council reserves the right to continue to utilise the trade-in unit at its discretion until the delivery of the replacement unit is affected.
- E. No claim on account of alleged misdescription or of the incorrectness or insufficiency of information supplied shall be allowed.
