

NOTE: ROAD REPORTS WILL ONLY BE ISSUED IF THERE IS A CHANGE TO ROAD CONDITIONS AS REPORTED ON THIS NOTICE.

QLD Traffic Road Conditions: <https://qldtraffic.qld.gov.au/>

It is advised that motorists proceed with **EXTREME CAUTION** travelling on all roads during wet weather. Not all roads may have been inspected at the time this condition report was released and conditions are constantly changing. Caution is urged if traversing any flooded creek crossings as road surfaces may be damaged, submerged matter may not be clearly visible and underlying currents can be swift. Road shoulders of sealed roads generally become soft during heavy rain events and movement off the bitumen seal is discouraged.
